INTRODUCTION.

Tempo di Valse Lente.

Its the same old thing a
The girl she was sly so sho

man with a ring and a girl so shy The
said with a sigh I like you well Of

same old moon un - der which lov - ers spoon with the same old
course she knew that she loved him too but would not

sigh Of course she was fair and the man did - nt care If the
tell She that it real nice to have him tell her twice Of his

world went wrong For he thot her worth while And he
love so strong So she said, true I'll be, If you'll

sang with a smile The same old song
sing to me The same old song
